FOTON

Mercedes-Benz

MAXUS

HIGER

SHACMAN

GOLDEN DRAGON

JINBEI

NAVECO

KING LONG

A large, modern multi-story office building with a glass facade and a prominent 'FOTON' logo on the roof. The building is set against a blue sky with white clouds. A green rectangular graphic element is on the left side of the image, and a blue rectangular text box is overlaid on the lower left portion of the building.

Foton, one of our main brands, was founded in 1996 in Beijing, China. Foton has become a leading enterprise of the internationalization of state-controlled commercial vehicles, having manufactured and sold 9,000,000 units. Foton continuously won the first prize of commercial vehicles' production and sales for 14 years. A total of 610,000 vehicles were exported overseas. It has been China's top commercial vehicle export for 9 consecutive years. This company has industrial bases overseas in Russia, Vietnam, Thailand, and Kenya with 27 factories with 100,000 units capacity.
